Historical Index Report values are included in this table. This index is among those that federally chartered savings institutions may use in changing rates on adjustable mortgage loans made in accordance with Office of Thrift Supervision Regulation §560.35. Information about other permissible indices can be obtained from other sources.

Every effort has been made to obtain the most complete and accurate information possible prior to the publication of Index Report values. However, the Bank assumes no liability for any error in these values, regardless of cause. The Bank assumes no responsibility for any errors contained in Index Report information due to inaccurate data supplied from members, faulty calculations, or other problems with the collection and analysis of the information necessary to generate this report. This information is provided solely as a convenience for the members of the Bank.
