The Federal Housing Finance Agency (FHFA) determined that due to dwindling participation, the Monthly Interest Rate Survey will be discontinued. The data from that survey is used to compile the FHFA's monthly adjustable-rate mortgage index. The release on May 29, 2019 will be the final monthly release of the National Average Contract Mortgage Rate for the Purchase of Previously Occupied Homes by Combined Lenders.

Historical Index Report values are included in this table. This index is among those that federally chartered savings institutions may use in changing rates on adjustable mortgage loans made in accordance with Office of Thrift Supervision Regulation §560.35. Information about other permissible indices can be obtained from other sources.

Every effort has been made to obtain the most complete and accurate information possible prior to the publication of Index Report values.
